Cut the tulle into three 85" pieces. Lay the three pieces tog, measure in 40" from end and tie a knot. Do the same on the other end of tulle. Measure in 46" from either previous knot just made and knot tulle there.

Gather the three knots tog so the tails and loops of tulle are below knots, secure with a rubber band. Take the 39" section of ribbon and fold so that one end is 16" long and the other is 23" long and place under the rubber band. Sew one rose & lace piece to the top to cover the knots and rubber band. Sew the second rose 5" down from the top on the 16" length of ribbon. Sew the last rose 12" down from the top on the 23" length of ribbon.
